

Very Dear Friends of Beau Sejour; my Friends, my Brothers and Sisters

I have this question for you: Do you understand how much you help me? This year, life has been very critical in my country. There has been starvation. For a priest ministering where I am, I have been first hand witnessing of how bad is people's situation. With God's grace, our beloved friends were there for us. You were there. Yes, you stood by our side. You still stand by our side.

Forgive me; I am not going to name each one of you who visited us or contributed to go through the bad situation we had experienced. However, I want to take a moment to tell you personally that through your contribution and your daily prayer for community, you made miracles happen. Deacon Peter, Mrs. Karen, Mrs. Wilt, Dr. Ilka, Dr. Steve, Ms. Anna, Mrs. Michele, Dr. Komal, Mr. Wayne, Mr. Roberto, Mrs. Francesca, all of you, Thank You! Thank you. After two very bad seasons, this season is rejoicing. Yes, people are having a beautiful harvest. Now, it is pretty good, the situation of the people. Their crops bear fruit. Their crops bear fruit. Thank you, Lord. Now, people have something to sell and to feed.

Can I forget you? You prayed so much for that. I do believe in the power of prayer. And, you too. Thank you for your support ... you were so touched by their [the people's] suffering. For, they almost lost everything during the Storm. Now, they have products in their gardens. Through Holy Family Catholic Church and Sacred Heart Parishes, people were given beans, corn for their garden...

Now, it's time to thank each one of you. Please, I ask you to express to each congregation our Deepest Gratitude. Beau Sejour is better. Now, there is a great relief. People have good harvest this season. Again, because of your daily prayer and your sacrifice. Now, it's time to thank you for your faith. I do believe that our community is blessed because we are really united and connected with such people like you, who inspire us and want us to move forward.

Our God is Wonderful. May God keep blessing you in all. With Joy and Happiness!!!

Father Fernand Pierre
