

We are in the process of launching a new online giving platform! We are moving from our current provider ([Our Sunday Visitor](#)) to new platform – [GiveCentral](#). During the month of March, we will reach out to all current users to guide them through the process – as well as encourage all other parishioners to use this easy and consistent mode of supporting the parish.

If you are ready to make the move to GiveCentral, here are some easy steps:

Starting with GiveCentral

1. Go to the parish GiveCentral webpage (<https://www.givecentral.org/location/645>)

2. Set up your giving with the four funds shown above or explore “View More” to see funds for regular, repeating donations or one-time gifts.
3. After you have planned all your giving, the process will then ask you for information to create an account and for your payment preference (bank transfer/ACH or credit card).
4. That’s all there is to it!

Canceling your online giving with OSV ([Our Sunday Visitor: https://www.osvonlinegiving.com/276](https://www.osvonlinegiving.com/276))

1. Log into your account.
2. Select each one of your gifts (e.g. Sunday Offertory, \$25/week) and *cancel* the gift. The system will ask if you want to “suspend” the gift, but cancellation is the better choice.
3. Select your method of payment – and also *cancel* them.
4. Logout and you are done!
