## The Work of the Spirit

Saints are people whom the Church recognizes for having followed God in an exceptionally holy way. But God calls all of us to holiness. Every one of us is challenged to live in the Holy Spirit and follow wherever the Spirit leads us.

**In your Bible, look up the passage Romans 8:1-11. According to Saint Paul, who wrote this letter, how do we know whether the Spirit of God is living in us? In the frame below, write or draw your choice: either one way you know the Holy Spirit has worked through a saint, or one way you know the Holy Spirit is making a home in you.**
