**The Friars, Deacons, and Staff of Sacred Heart
are grateful that you could join us at tonight's Gala.**

A Letter from Fr. Mike

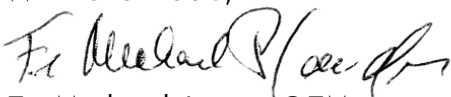

Dear Parishioners and Guests,

Welcome to our annual Sacred Heart Gala. We thank you for joining us. This evening is a great opportunity for us to celebrate the friendship and fellowship that make our parish community so open and inviting to all who worship with us. It is that same openness that drives our parish to be so active and committed in helping those in need within our community. That commitment is also at the center of our festivities this evening.

The proceeds from tonight's Gala will allow us to take the next steps in revitalizing our North Campus kitchen. The idiom "the kitchen is the heart of the home" sprang to mind when the friars, our outreach committee, and parish advisory board began looking at reinvigorating our parish's efforts at the North Campus. For so many parishes, a high-functioning kitchen serves as the backbone for fundraising and fellowship dinners, family events, and outreach to those in need. Our goal is to increase our opportunities for each of these events from the campus, and aide the ongoing efforts of our Hands of Hope ministry with this renovation. One of the later projects slated in the initial "True North" planning done prior to the pandemic, all agreed that the kitchen should become a primary focus as we continue to see our reliance and usage of the campus grow. That growth includes thoughts to outside rentals for meetings, retreats, and celebrations that could provide an additional revenue source for the parish, allowing future projects within the "True North" plans to proceed, and providing us with more chances to aid our community through outreach to the unhoused and underserved. I sincerely hope that you are excited by this new direction, and the opportunities it will afford us to serve both our parishioners and community alike.

Tonight's "Evening at the Derby" would not be possible without the concerted and steadfast efforts of our staff and volunteers, and the items donated by our parishioners and local partners. Special thanks are extended to our Parish Event Coordinator, Angela Erb, who devoted well more than her normal working hours to ensure we would have the opportunity to raise awareness and funds for our work at the North Campus. I also wish to extend my heartfelt gratitude to the Jill and Troy Manthey, and everyone associated with the Yacht Starship, for being such gracious hosts as our presenting sponsor. Finally, to those who are in attendance, who have donated an items for our auction, or donated time or treasure to ensure we could resume this annual tradition for the first time in three years, I thank you, and genuinely hope you have a night to remember. Now get to the "starting line" and get bidding!

With Gratitude,

About Our North Campus

How Our North Campus Became The Center of Our Parish Outreach

Sacred Heart is a dynamic and growing community of faith in the heart of downtown Tampa, with a strong history of volunteerism and outreach.

It is no secret that downtown Tampa is growing at an exponential rate. Over the last four years, an estimated 20,000 new residents moved within a 1.5-mile radius of our church, a fifth of which are projected to be Catholic.

While our challenge and opportunity is to build a foundation for current and future growth, our parish also must adapt its resources to continue to provide for those forgotten within our community. As part of that understanding, we intend to renovate and expand our parish's North Campus to meet both needs.

Members from our Hands of Hope ministry prepare and deliver meals each week from North Campus Kitchen.

Sacred Heart's North Campus - A Summary

Formerly Sacred Heart Academy, a parochial school which operated for more than 80 years, Sacred Heart's North Campus is a near-10 acre property located along Florida Avenue, just two miles north of the church itself. As the growth in downtown has evolved, so too has our reliance on the North Campus as the epicenter for parochial and outreach activities.

Our parish hosts nearly all faith formation classes and ministry meetings from the property, as well as donation drives, and our weekly outreach to the unhoused. Sacred Heart is home to more than 20 ministries that take part in regular outreach activities with local non-profit organizations, in addition to parish-wide initiatives, embodying the spirit of Jesus' call to action in Matthew's Gospel.

How You Can Help

What Your Contributions Support

Our goal for the 2023 Gala is to raise the capital needed to begin the necessary plumbing and electrical improvements inside the North Campus kitchen and auditorium.

With many of the facilities being original to the campus' initial build phases, our parish has the goal of maintaining the history of the campus while updating areas to fit current needs.

A renovation of the kitchen and adjoining auditorium's infrastructure is necessary to both continue existing outreach, and begin hosting events that will provide revenue for the parish to grow our outreach.

Other Ways You Can Help Build Our Future

- Direct financial contributions to our North Campus renovations can be made at:
 - Web: shfla.org/northcampusgiving
 - Email: lcabrera@sacredheartfla.org

Thank you, Partners

Our evening of dinner, dancing, food, and fun is dedicated to revitalizing our North Campus, and we thank you all for being here in support of this goal. Tonight's Gala and auctions would not be possible without the dedication and contribution of dozens of parishioners, volunteers, donors, and community partners. Please join us in thanking the many who worked so hard to bring this event together.

The Friars of Sacred Heart

A Greeting from The Staff

Dear Parishioners and Guests,

We're excited for you to join us this evening as we celebrate what is our first Gala in three years. While many things have changed in the time since we last had the opportunity to gather in this way, the reason for our gathering remains the same: to celebrate and enhance the great work of our parish and its many ministries.

As a Franciscan parish, Sacred Heart and its congregation are very much in tune with the friars' devotions to justice, peace, and integrity of creation. The parish hosts more than twenty individual ministries that all take part in regular acts of service toward these ends. As an example, our Hands of Hope ministry, which provides necessities and meals to the unhoused each weekend, embodies the spirit of St. Francis, advocating for the vulnerable, promoting justice and peace, and reaching out to those who are alienated from the Church or society.

Sacred Heart's ministries rely on the time and treasure of our parishioners to carry out these objectives, while the parish provides the structure and venues to address the needs of our local community. One such venue is our historic North Campus, located about two miles north of the main church, in the heart of Tampa Heights. The campus was previously a school which operated from 1931 to 2013, and now serves as the primary meeting and event space for our parish. From hosting our family faith formation classes, to the aforementioned Hands of Hope ministry and their weekly meal preparation, the campus' auditorium and its adjoining cafeteria and kitchen need renovation.

The aim of our Gala is to raise enough capital to begin the necessary plumbing and electrical improvements inside the North Campus kitchen and auditorium, as much of the existing infrastructure is original to the initial build and deteriorating. After the three-year hiatus, our parish is excited for the return of this evening's fundraising event, and our chance to collectively address these needs. We hope you will enjoy this night of dinner and dancing alongside our live and silent auctions while considering how you can help us maintain and improve the infrastructure necessary to continue assisting the vulnerable and marginalized within our community.

Thank you again for attending tonight's Gala, and we look forward to your continued support of our parish's outreach goals and initiatives.
