A Letter From Fr. Mike

Dear Parishioners and Guests,

Welcome again to our annual Sacred Heart Gala. We thank you for joining us on this special evening where we celebrate the friendship and fellowship that make our parish community so open and inviting to all who worship with us. It is that same openness that drives our parish to be active in helping those in need. Our parishioners are committed to action, and that has been seen in abundance this year. Our goal for this evening's event is to expand on these two characteristics of our parish with one project.

The proceeds from tonight's gala will allow us to move forward with the planned renovation of the North Campus kitchen. As you may know, the friars, staff, maintenance committee, and parish advisory board have been working for nearly a year on plans put forth by our hired owner's representative, which is tasked with securing the various trades needed to renovate the kitchen. The renovation would require new plumbing and electric. All existing equipment would also need to be replaced. Additionally, there is no air conditioning in the kitchen, requiring the installation of a new system. Rough estimates see the renovation costing between \$750,000 to \$1,000,000 to complete. Fundraisers like this evening's gala will help raise the money, and once completed, income from rentals would help offset maintenance costs through the auditorium's potential to host corporate meetings, weddings, and events of that nature. Of course, revenue is not our purpose in prioritizing this project.

For so many parishes, a high-functioning kitchen serves as the backbone for fellowship dinners, family events, and outreach to those in need. Despite an aging and broken infrastructure and set of appliances in the kitchen, our *Hands of Hope* ministry still produces a weekly meal each Saturday for more than 100 of our homeless neighbors right here in downtown Tampa. We see this renovation as a chance to expand their reach and function, in addition to the future use opportunities for wedding receptions and parish dinners. With your attendance at this evening's gala, your purchase of a raffle ticket, or your bid on a silent auction item, even from those who are not with us on the ship, all of it will directly impact the future and growth of this important ministry, and the use of our North Campus as a place to host more outreach and social activities.

This "Night in Assisi" would not be possible without the concerted and steadfast efforts of our staff and volunteers, and the items donated by our parishioners and local partners. Special thanks are extended to our Event and Outreach Manager, Vicky McCarthy, for organizing this year's festivities. I also wish to extend my gratitude to the Jill and Troy Manthey, and everyone associated with the Yacht Starship for hosting our parish once again. To all of you with us here this evening, I hope you have a night to remember.

With Gratitude,

Fr. Michael Jones, OFM

Pastor, Sacred Heart Catholic Church, Tampa

Fr. Michael Jones, OFM
Pastor

About the North Campus

Why Our North Campus Became The Center of Our Parish Outreach

Sacred Heart is a dynamic and growing community of faith in the heart of downtown Tampa, with a strong history of volunteerism and outreach.

It is no secret that our metro area is growing at an exponential rate, at nearly 1.5% year over year. The parish advisory board, outreach committee, and friars are in alignment to ensure our parish and facilities are positioned to meet that growth around us, be it potential new parishioners moving into our community, or our neighbors on the fringes that can be forgotten amid the growth.

Our parish must adapt its resources to continue to provide for each. With that understanding, parish leadership is prioritizing projects at the North Campus, like the kitchen renovation, to help meet both needs.

Members from our Hands of Hope ministry prepare and deliver meals each week from North Campus Kitchen.

Sacred Heart's North Campus - A Summary

Formerly Sacred Heart Academy, a parochial school which operated for more than 80 years, Sacred Heart's North Campus is a near-10 acre property located along Florida Avenue, just two miles north of the church itself. As the growth in downtown has evolved, so too has our reliance on the North Campus as the epicenter for parochial and outreach activities.

Our parish hosts nearly all faith formation classes and ministry meetings from the property, as well as donation drives, and our weekly outreach to the unhoused. Sacred Heart is home to more than 20 ministries that take part in regular outreach activities with local non-profit organizations, in addition to parish-wide initiatives, embodying the spirit of Jesus' call to action in Matthew's Gospel.

Every other month, Sacred Heart hosts drive-through donation events for local charities and parish ministries at the North Campus.

Earlier this year, alumni from seven different generations descended on the North Campus to revisit Sacred Heart Academy and learn how the parish is currently using the former school.

Thank you to our Patrons

Our evening of dinner, dancing, food, and fun is dedicated to revitalizing our North Campus kitchen, and we thank you all for being here in support of this goal. Tonight's Gala and auctions would not be possible without the dedication and contribution of dozens of patrons, volunteers, donors, and community partners.

Please join us in thanking the many who worked so hard to bring this event together.

A NIGHT IN
ASSISI

THANK YOU

For Joining Us

The Friars, Deacons, and Staff of Sacred Heart are grateful that you could join us at tonight's Gala.

Erected in 1905, Sacred Heart is the first Catholic Church in Tampa and Florida's west coast, with our parish history stretching back to Tampa's early pioneer days. Located in the heart of Downtown Tampa, we are a Franciscan parish that serves parishioners and the business community alike.
